

GSRP/Head Start/Early Head Start Child & Family Risk Factors

Answer all of the following questions by placing an X in the Yes or No Box	Yes	No
1. Low family income (See Early Childhood Application)		
Is income unreliable or do parents experience stress related to the loss of income?		
Is either parent unemployed or underemployed?		
2. Diagnosed disability or identified developmental delay		
Does this child have a referral or diagnosis from a physical or mental health system or provider, or other early childhood program? Please Describe:		
Does this child have a Special Education referral with developmental concerns noted, but not eligible for services?		
Does this child have an Individualized Education Plan (IEP) from the school district or an Individualized Family Service Plan (IFSP) from Early on? Please share the diagnosis:		
3. Severe or challenging behavior		
Has this child been expelled from preschool/childcare due to severe or challenging behavior?		
Does this child or anyone else in the home demonstrate intense anger or aggression, physically hurting others or damaging property when angry?		
Has this family participated in family counseling or any other program to help manage your child's behavior?		
4. Primary home language other than English		
Is this child entering school unable to speak English and must learn the language?		
Is there a language spoken at home other than English? Specify:		
5. Parent/Guardian educational attainment		
Did either parent drop out of school, struggle or attend special education classes in school?		
Does either parent have trouble reading to your child?		
Is either parent disabled?		
6. Physical/sexual abuse/neglect of child or parent/substance abuse/addiction		
Is, or has this child been abused physically or sexually?		
Is, or has there been domestic or spousal abuse of a parent or sibling?		
Has this child been removed from home for neglect or has a parent been charged with neglect?		
Has there been abuse of alcohol, prescription, or non-prescription drugs by family members who live in the home?		
Is either parent an adult child of an alcoholic?		
7. Environmental risk		
Is this child in foster care or a ward of the court?		
Has this child lost a parent due to separation, divorce or absence?		
Has this child lost a parent due to a sentence to jail or prison?		
Has this child lost a parent or sibling due to death?		
Is this child living with a relative or person other than the biological parent(s)?		
Does this child have a parent who is currently away due to active military service?		
Is this a single-parent family?		
Does this child or other family member in the home suffer from mental illness? (i.e., Bipolar Mania, Schizophrenia, Clinical Depression, Personality Disorder, etc.)		
Does this child or other family member in the home suffer from chronic illness or life-threatening disease? (i.e., asthma, allergies, chronic ear infections, vision or hearing problems, weight or growth concerns, cancer, dialysis, heart failure, seizure, sickle cell anemia, etc.) Other:		
Was this child born to a teenage parent; or into a family with 3 or more children under age 5?		
Is this child's home/neighborhood unsafe due to crowding, crime, lack of utilities or safe spaces to play?		
Was the child exposed to toxic substances (pre or postnatal) known to cause learning or developmental delays; such as Fetal Alcohol Syndrome, drugs, or exposure to lead?		
Does this family reside in an area with limited access to community resources?		
Is the family without a fixed, regular and adequate nighttime residence? (Does not have a consistent place to live, home is in foreclosure, stays with another family because there are no other options, or moved 3 or more times in the past year)? (Separate form required)
